1. We have been advised that subject, a former public school teacher who recently worked as a Kolkhoz worker in Virumaa, Estonia, now lives with her daughter in Chicago. Mrs. Allekand is about 60 years old and arrived in the U.S. two or three months ago.

2. Rumor has it that there are submarine pens in the area near Ootika (Virumaa area) on the Viru coast. Since Mrs. Allekand worked in that area she may be able to supply information on the possible site of those submarine pens.

3. Could it not be possible for you to locate Mrs. Allekand in Chicago we may be able to get her address through the Estonian Rescue Committee in New York City.
